With reference to the above, states that information as to what the present list of establishment attached to the several bungalows is and how the reduction in has affected them has not been furnished and requests the submission of a statement in the accompanying form and adds that instructions should be taken whether the particulars and pensionary charges noted in the margin [illegible] Reduction [illegible] Rs. The rearrangements effected are in accordance with the scale prescribed in the G.O of 13-11-08, though increase of pay has been given in certain cases. It cannot, however, be seen from the Statement where the watchman Gundappa of the Hebbagodu Bungalow said to have been otherwise provided, has been now employed. He has probably been appointed in some other department.

Submitted with a draft G.O for approval and for orders.

There appears to be no need to refer to this, as the inconvenience represented by the D.C. is not apparent and the D.C. himself does not press the matter, vide last sentence in his letter (Sl. 9).

Sir,

I have the honor to state that as per Govt: Proceedings No. 2918-35 / G.M. 56 09-11 dated 13-11-08, the establishment of the 1st and 2nd class Travellers' Bungalows in this District were revised and a statement showing the establishments retained for each Bungalow was forwarded to the Comptroller with a request that the District Treasury officer may be instructed to recast the bills as per revised scale. In the statement furnished by me a few alternative designations were adopted to avoid the inconveniences consequent on the appointment of the existing staff for services either inconsistent with their caste or different from those they were previously required to do and further in view to the services of the staff under the new arrangement being availed of in future for both kinds of duties connected by the alternative designations such as (1) Kotwal or moti, (2) Dandi or watchman (3) Sweeper or Thoti whenever there was necessity therefor.

The Comptroller returned the above statement with the remark that the alternative designations given to some of the servants noted in the statement were inadmissable and further requested that only one designation for each

first, may be adopted and the sanction of Government obtained for the number and designation of establishments to attached to each Hamelets' Boring along

2 Under the above circumstances I beg to submit herewith a revised statement showing the designation now adopted of the establishment in the 1st: and 2nd class Boring along of this district to suit the conveniences of each Boring along and to request that the same be approved in case it is considered inadvisable to have for one person the alternative designation given in clause ii para 1 of Govt: Proceedings of the 13th: November 1908 referred to above.

I have the honor to be,

Sir,
